Kutumb launched Clinic on Wheels last year with the aim to address the healthcare challenges faced by isolated rural and urban slum communities, Clinic on Wheels delivers essential medical services, free medicines, and health education to these communities. In the last year they held 69 camps in 8 locations.

Kutumb continues to empower women in surrounding communities by providing literacy and vocational training, in sewing, beauty courses and handicrafts.

# VISION BUILDERS-SUPPORTED NIPUN PROJECTS

**379 CHILDREN IN DAILY NUTRITION PROGRAM**

**180 CHILDREN IN PRE-SCHOOL PROGRAM & 199 ARE ENROLLED IN REMEDIAL EDUCATION**

NIPUN, with Vision Builders' support, has continued to provide hot, nutritious meals to the children enrolled at education centers in the slums of Meera Bagh and Kapashera in New Delhi.

Vision Builders has also supported NIPUN by supplementing the salaries for teachers for Pre-school, non-formal and remedial education at these locations.

After being brought up to the appropriate ability level, 125 children have been successfully enrolled in the local government schools.

**500+ YOUTH ENROLLED IN VOCATIONAL TRAINING (PROJECT UMANG)**

Nipun provides vocational training to underprivileged youth in Nihal Vihar (in West Delhi).

Classes include Dress Design, Beauty Parlor, Basic Computer Skills, Spoken English and Accounting. The trainings include job exposure visits at BPOs, Spas, Beauty Parlors, Chartered Acctg. firms, Retail Stores, NGOs & Schools.

The Accounting course with Tally Software trained 130 students in its second year, of whom 41 have secured jobs while 23 are self-employed.

Dear All,

Vision Builders would like to thank all of you for your support!

We are seeking additional financial support to be able to expand our impact and to reach out to more children and people in these impoverished communities.

We are also on the look-out for opportunities to help children in communities in other parts of the world, especially in Africa. Please share any ideas.

Please reach out to us if you have inputs or would like to learn more!

Sincerely,

Smita Abbi
